

Course Disclaimer

This ISO/IEC 27001 Lead Implementer Online Course is offered by Aron Lange (hereinafter referred to as "the course provider"). The content provided in this course is for informational and educational purposes only and is not intended to constitute legal advice or professional services of any kind. The course materials, including but not limited to lectures, documents, videos, and other resources, are designed to provide general guidance on the ISO/IEC 27001 standard and to help prepare students for the TRECCERT® ISO/IEC 27001 Lead Implementer exam. TRECCERT® is a registered trademark of TRECCERT GmbH.

The course provider is an approved training provider for the TRECCERT ISO/IEC 27001 Lead Implementer exam. However, the course is based on the course provider's own materials and is not the official TRECCERT training material. While the course is designed to align with the requirements of the TRECCERT ISO/IEC 27001 Lead Implementer certification, completion of this course does not guarantee success on the exam or certification. Users are responsible for ensuring they meet all TRECCERT requirements for the exam and certification process.

Certain materials in this course are derived from or reference international standards, which are made available through the International Organization for Standardization (ISO) and the International Electrotechnical Commission (IEC). These materials are subject to ISO/IEC's terms of use and licensing, and users are responsible for ensuring compliance with any applicable ISO/IEC policies or guidelines when using or referencing such content.

While every effort has been made to ensure the accuracy and completeness of the information presented, the course content does not guarantee compliance with any specific legal, regulatory, or industry standards, including those related to information security management or data protection. Users are responsible for consulting with qualified professionals to ensure compliance with applicable laws and regulations, including those in Germany or other relevant jurisdictions.

The course provider and any affiliates make no warranties, express or implied, regarding the accuracy, reliability, or suitability of the information provided. By participating in this course, you acknowledge that any reliance on the material is at your own risk. The course provider shall not be liable for any direct, indirect, incidental, or consequential damages arising from the use or application of the course content.

All course materials, except those derived from ISO/IEC, TRECCERT®, or other third-party sources, are protected by copyright law and may not be reproduced, distributed, or transmitted in any form or by any means without prior written permission from the course provider, except as permitted under applicable copyright law.
